## PRESIDENT'S MESSAGE

by Richard Girard

Summer is here and things are very hot in Phoenix, so it must be time to head for the mountains and go camping! Jan and I just returned from a 3 week trip to the **International Rally in Gillette, Wyoming**, but we are always ready to go! A lot of interesting things happened in Gillette, but that is all in another article.

photo by Richard Girard

We will be hitting the road the first week in August to attend the **Rocky Mountain Vintage Airstream Club (RMVAC) Rally in Salida, Colorado**. We have been to the RMVAC before - it is a great rally and we are really looking forward to it!

In October we will be headed to the 4<sup>th</sup> **FCU Balloon Fiesta Rally in Albuquerque, New Mexico**, which has always been one of the largest rallies that we hold. We will then be headed directly from the Balloon Fiesta to the **Region 11 Rally in Gallup, New Mexico**. That rally will be held at Red Rock Park from October 6<sup>th</sup> to the 11<sup>th</sup>. Even if you are not going to the Balloon Fiesta, Gallup is centrally located to most of our members, so please attend if you can. I would love to see a large turnout from our unit at the Region 11 Rally this year!

There are plenty of opportunities to go camping in the next few months and I hope to see each and every one of you around the campfire!

- Richard

RED ROCK PARK, with elevation from 6600 to 7000 feet and encompassing 640 acres, has a large campground equipped with electric and water hookups, picnic areas, restrooms and showers. The spectacular red cliffs which frame the Park on three sides began formation 205 million years ago, during the Mesozoic era, sometimes referred to as the Age of the Dinosaurs. Several archeological sites in the Park record the presence of the Anasazi, a prehistoric farming culture which developed and persisted in the area from 300 to 1200 AD. From 1700 to the present, the region has been sparsely inhabited by the Navajo Indians.

Red Rock Park, situated in Indian Country, is the gateway to Zuni, one of the Seven Cities of Cibola sought by Coronado and the Conquistadors; Acoma, the sky city, one of the oldest inhabited cities in the United States; Old Laguna Pueblo and its Spanish church; the Hopi Reservation; and the Navajo and El Morro are among the National Monuments within a two hour drive from Red Rock Park. Petrified Forest National Park, the Ice Caves beneath Lava Badlands with temperatures of 31 degrees year round, the incomparable views of the badland formations known as the Painted Desert are all natural wonders that shouldn't be missed when exploring the Gallup area.

#### PARKING RESERVATIONS

Parking is \$15.00 per night with water and electric. (This is separate from the Rally Fee and paid directly to the park.) Dump sites are available within the park.

## 53RD WBCCI INTERNATIONAL RALLY

by Richard Girard

**The Bull Pen**  
photo by Richard Girard

On the morning of the 17<sup>th</sup> of June, Jan and I hit the road to Gillette, Wyoming to attend the 53<sup>rd</sup> WBCCI International Rally. Three and a half days later we arrived at Cam-Plex rally site. After spending a night in the “Bull Pen”, we were parked in the Vintage Section of the largest campground I have ever seen - it eventually was filled with over 600 Airstreams. All the sites

were on grass with full hookups, and it was truly a City of Aluminum!

**Sea of Aluminum**  
photo by Richard Girard

There were two other locations for parking, which brought the total number of Airstreams to well over 700. We attended several social events and a training session before the rally officially began, and even got to spend a day at Devils Tower National Monument.

Once the rally began there were meetings, seminars, shopping at the vendor area, and nightly entertainment to keep us busy. As your President, I carried the Unit Flag in the opening ceremony, and represented the FCU at the annual Delegates Meeting. I was also the presenter at a seminar where I demonstrated how to use the Internet to promote rallies and communicate with members.

At the Region Luncheon I was supposed to be installed as the Region 11 2<sup>nd</sup> Vice President, but because of the resignation of the current 2<sup>nd</sup> VP, Will Sander, I was installed as the Region 11 1<sup>st</sup> VP by the 2009/2010 International Secretary Anne Werth (who is also a member of the New Mexico Unit). As an incoming Regional Officer, I attended the IBT Seminar and the IBT Meeting. One very positive thing that came out of the IBT Meeting is that the club has a balanced budget for the next fiscal year. Also, a brand new unit in Northern Ohio was approved, so 4CU is no longer the newest unit in the club!

On the second of July we left the rally a couple of days early; I had to get back to my job in Phoenix after the 4<sup>th</sup>. But we truly hated to leave! In the almost 3 weeks that we were gone, we made many new friends and visited several new places. It was a great trip!

Next year we will be traveling to De Quoin, Illinois to attend the 54<sup>th</sup> International Rally - why not make plans to attend; we'd love to see you there!

- Richard

## 4CU MEMBER NEWS

### IN MEMORIUM

Our sincere condolences go out to **Ron Gilson & Mark Huner**. Their dog, "Cody", passed away at the age of 11 on June 10, 2010. . . .

. . . .Our thoughts are with **Sandy Dickinson**. She writes: "As some of you know I returned to my home in SLC, UT after 5 years of traveling in our Airstream. I wanted to write this note at New Year's to thank the new

relationships of the 4CU for all the lessons and gifts of life I had received and how supportive you have been even though you didn't know it. One never knows who we help by the actions we take or the words we share. I recently experienced the loss of my dog TASHA, age 14.5. I never realized how painful and devastating this could feel. I wrote this while visiting my mother who has not been well ... and has since passed away. She was 96 and we spent 2 lovely days together last weekend. Even with these present experiences I wanted to thank the 4CU and know with all my heart I am forever grateful and blessed by our meetings. My other dog Cody now sits near a statue in our garden because he misses his sister ... and this is the spot where the two of them hung out. In time we will know our next direction. Until then, many blessings to you all. Much love and a huge hug,  
**Sandy Dickinson & Cody"**

### CAMPGROUND HOSTS

4CU Members **Jim and Min Dodds** are escaping from the summer heat by serving as BLM campground hosts up on the Mogollon Rim in Arizona. At the 7,600 foot elevation of the Mogollon Campground, the days and nights are cool and pleasant! Stop by and camp with them if you're in the area!

<http://www.camparizona.com/Campsites/PaysonCampsites/Mogollon.htm>

Directions: From Payson, head east on S. R. 260 until you reach the top of the Mogollon Rim and hang a left on F. R. 300 (Rim Road). travel 4 miles on Rim Road to the campgrounds (you will just have passed the entrance to Woods Canyon).

### COLORADO ON THE 4TH

**Mike & Tracy Bertch** sent this update: "...we had an unofficial rally in Silverton over the 4th...**Howard & Carolyn** and **Steve & Reg** parked in the adjoining driveway and yard to sit back and watch the fireworks...too much food and friendship occurred, as is wont to happen at such things...I'm working on a space-reserved area for **next year**...possibly boondock, possibly pay-spaces with hook-ups...I would aim for the boondocks, as the rent would be cheaper, and the space is just 'space' until the vacant lots sell...our little burg swells to about 12-15K folks (from 550) for the display, and camping is non-existent during that time...no real organization, just a place to anchor and one street to cross to be in our yard..."

## AIRSTREAM WEDDING BELLS!

Congratulations! **Art Flynn** was married to **Margaret** (Maggie) in their 1977 Airstream Sovereign on May 21st in front of their home with 12 friends witnessing. Art is now in Abu Dhabi, United Arab Emirates, thru May 2011; Maggie will be joining him there shortly! Here's how Art describes the event: "Maggie and I were engaged for about 6 months when an overseas assignment came up for me in May - things really started happening quickly for us before I left for the Middle East. We boondocked in the Jemez Mountains for several days as sort of a "last hoo-rah" with our AS the week before my departure. So, over coffee on a Thursday morning, we decided to go back to

ABQ that day and plan an Airstream Wedding on Friday afternoon. Maggie had previously invited our neighbors over for a routine Friday afternoon "martini and hors devours" in the AS - so nothing changed except when they showed up, we surprised them all with a full-blown wedding. Very fun! Their reactions were unforgettable."

### IT'S TIME TO RENEW YOUR MEMBERSHIPS FOR 2011!

**It's that time of year** when we ask members to renew their memberships for the next calendar year ... 2011.

#### Why this early for 2011?

Even though your current 2010 membership runs through Dec. 31, 2010, we begin renewals this time of the year for the next calendar year so that we can have members' information to the International Office by November 2010 ... to get everyone's name in the International Directory which is published January 2011. Starting early gives everyone ample time to get their dues in. If you pay your dues later than early October, your name and WBCCI number may not appear in the 2011 International Directory.

#### What about new members?

We have closed the 2010 membership roster and new members joining at this point forward will be joining for the 2011 calendar year ... and getting the balance of 2010 as a bonus. Their official year of joining will be 2011. So if you know of anyone who is interested in joining us, please print out an extra application and pass it along to them...the time is right! (Remember, you are all members of the Membership Committee!)

### How do I renew?

You will find the 2011 Membership Application on page **13** of this newsletter. Please print the Application, complete it, and send it along with your dues to Howard Efner, Treasurer. His address is on the application. The dues for 2011 are \$65 for International plus \$1 for the 4CU for a total of \$66. Please make your check payable to the Four Corners Unit/WBCCI. NOTE: If you would like to receive a receipt for your dues, please check the box on the application requesting a receipt and include a Self-Addressed Stamped Envelope (SASE).

### What about Affiliate Members?

Affiliate Members may (1) renew your Affiliate Membership status by completing the form and submitting the 4CUnit dues of just \$1, or (2) transfer your Full Membership from your original Unit to the 4CUnit. In the latter case, complete the appropriate parts of the application and submit the International Dues of \$65 plus the 4CUnit dues of \$1 for total of \$66. We will notify International of your transfer to the 4CUnit. We would welcome you as a regular member!

### Questions?

If you have any questions, please contact Terry Rich, Membership Chair, at

**Terry@TBRich.com**

We look forward to yet another great year in the Four Corners Unit with old friends and new, good times, great rallies and memorable gatherings around the 4CU campfire.

Happy trails! - Terry

### **September in the Pines Rally at Heron Lake, New Mexico**

2009 September in the Pines Rally  
Lakeside at Heron Lake  
photo by Jim Carnevale

Come join Anthony and Tamara at Heron Lake State Park (near Los Ojos) for the 2<sup>nd</sup> annual September in the Pines Rally. The Rally is set for September 16-20, with the 20<sup>th</sup> being departure day for most of us. Anthony and I have selected the Ponderosa Camp area at Heron Lake (see link to map below). This area is a dry camp area, but is next to the lake, and has a great community feel to it. It is next to the boat ramp, making it easy for those who bring kayaks or canoes. There are kayaks and boats for rent at the lake as well.

We will need folks to bring along some tables and some easy-ups for the festivities. We are planning on an outdoor movie night or two, a Saturday night dance, Chili Cook-off, a taco bar potluck, and the left over pot-luck dinners. Anthony and I will be doing a breakfast burrito breakfast on Saturday morning, and will have coffee going every morning.

I have included a few Web links for more information on the area and its many attractions. The Ponderosa Camp area has room for approximately 25-30 Airstreams and has toilet facilities. The showers are close by in the Salmon Run camp area. We have a centrally located area selected for the tables and easy-ups. If anyone has additional ideas for this rally, let us know. I will post the agenda on Airforums as soon as we arrange for the band, which will play Northern New Mexico music.

The weather in September is great - warm during the day, and cool at night. We look forward to seeing as many 4CU'ers as possible! - *Anthony & Tamara Rodríguez*

## October 1 - 5 2010 Albuquerque Balloon Fiesta

### Arizona State Parks Update

Good news! 23 Arizona State Parks will stay open! The Arizona State Parks Board voted on May 19 to keep five more State Parks from closing on June 3 by directing Executive Director Renee Bahl to sign unique management and financial agreements with rural communities to keep each one open.

"The State Parks Board, a volunteer group of seven members, has voted in the last three months to negotiate with counties, cities and parks friends groups to fund a total of 23 State Parks to be open into the next fiscal year. The real key now is that we need every Arizonan to use their State Parks as often as possible," said Bahl. "We want the public to know that the Board and staff are focusing on keeping State Parks open because the fiscal impact and loss of jobs from closed parks would be devastating to these rural towns and we believe every Arizonan deserves a robust State Park system."

Here are some of the highlights of the community efforts: Bashas' Family of Stores (130) raised \$20,000, Dasani Water raised \$5,000 for recycling programs, Apache Junction businesses raised \$26,000 (Lost Dutchman), Tubac Historical Society raised \$35,000 (Tubac Presidio), Friends of Tonto raised \$8,000 (Tonto Nat. Bridge), Wickenburg/Salome raised \$30,000 (Alamo), Riordan Action Alliance raised \$40,000 (Riordan Mansion), **the City of Eloy has raised \$20,000 (Picacho Peak)**, Benefactors of Red Rock State Park have raised \$60,000, Friends of Oracle State Park have raised \$50,000 and Yuma raised \$70,000 (Territorial Prison). The Arizona Game and Fish Department helped Graham County rescue Roper Lake State Park and Apache County will keep Lyman Lake open this summer. Arizona Highways Magazine has already sold more than 100 magazine subscriptions to support State Parks and the increased tourism these subscriptions will generate will help increase park revenues.

Please call ahead to find out the latest information about the State Parks by calling (602) 542-4174 (outside of the Phoenix metro area call toll-free (800) 285-3703) or visit
