PRESIDENT'S MESSAGE

by Richard Girard

Now that the election of the 2011 officers is completed, I would like to congratulate **Louis Hall**, who will be our President in 2011. I could not have asked for a better person to replace me as President of our unit! I also want to extend a sincere "Thank You" to all of the members that volunteered throughout 2010 to help run the unit. Volunteers are the backbone of the WBCCI and the 4CU, and you have all played an important part in the growth and popularity of our club! (A full list of the new officers can be found elsewhere in this newsletter.)

October is my favorite month of the year. The temperatures are finally dropping and it's time to do some serious rallying. **Jan** and I will be headed to Albuquerque for the Balloon

Fiesta, and then straight to the Region Rally in Gallup. There is also the Pumkin Chunkin Rally later in the month over in Estancia, New Mexico - three great events in one month! I hope you can make it to one or more of them and we'll see you there!

There doesn't always have to be a rally to get together with Airstream friends. A few weeks ago we decided to spend a long weekend in the cool pines of Arizona. We got the word out to see if anyone else wanted to go camping. We ended up with 6 Airstreams parked in the mountains having a great weekend. If you are thinking of going camping somewhere and would like some company, post a note in the private area of Airforums (more on that later); you might be surprised by the response you get!

It's time to hitch up and hit the road. This season we have some great rallies coming up in Arizona and New Mexico. Travel safe and I'll see you by the campfire.... - **Richard**

4CU Private Area on Airforums.com

One of the benefits of membership in the 4CU is the private forums area on the Airforums Web site. This is a great place for our members to introduce themselves to the other members and perhaps meet up for a fun camping weekend. If you have been thinking about a location for a future rally, why not post it in the private area and we can talk about it?

The private area can only be seen by other members of the Four Corners Unit and joining is simple and free. To join, direct your browser to the Airforums Web site at

<http://www.airforums.com>

Then just click on the "WBCCI Unit Forums" text link on the left side of the portal page.

If you have any questions or need assistance, contact me. My screen name is azflycaster, otherwise know as **Richard Girard**. See you in the forums! - **Richard**

President-Elect's Message

Greetings everyone!

I would like to begin by expressing my gratitude to each of you for selecting me to represent our unit for the upcoming year. It is truly a privilege and an honor to be elected as President of the Four Corners Unit, and I hope I can do my part to ensure everyone has a great experience.

I want to thank each of the outgoing 4CU Officers and Trustees for their time and service to the club - **Richard** (who is staying on as Immediate Past President), **Bob Whitcomb**, **Brad Norgaard**, and **Julianne Campbell**. Your help and support has brought the 4CU to the point it is at today! I am looking forward to working with the new officers of our unit as well - congratulations and thanks to each of you for your commitment!

I have a couple of goals as we go forward. My first priority is for our unit to have more rallies in new locations! We currently have our annual rallies that are always a great time, and I hope those will continue: Restoration Rally, Balloon Fiesta, Heron Lake, Dead Horse, and New Year's

Eve. In order to keep things interesting and fun, I would like to form a rally committee of volunteers to come up with and **help plan more rallies**. Additionally, I would ask that any member who would like to host a rally or has an idea for a rally, to please contact me and let's see what we can put together. As our unit continues to grow, I believe that we will need to have more activities to keep us connected. If anyone would like to volunteer for the rally committee, please feel free to let me know. I have one member for this committee already - Thanks to **Eric Olson** for volunteering!

My second goal is to establish a fundraising committee to **add some cash to our bank account!** We do not require a lot of cash, but we do need some reserve funds for deposits and such for our rallies, so that those hosting do not have to put this up out of their own pocket. There have been some ideas tossed around, mainly in chats around the campfire, but I would like to make this a bit more formal. I look forward to all ideas on ways to generate some extra funds for the unit! Jan Girard is currently working on a cookbook with

~~~~~

recipes provided by our members; we will be taking orders from those interested in purchasing a copy. This is one example of a great fundraiser!

***We want to keep our dues where they are and keep the cost of our rallies to a minimum***, so we need other ideas. If anyone would like to be on the fundraising committee, or just has an idea for generating some bucks, please let me know!

I envision each of these committees having 3 to 5 members and discussions being done via email or possibly during an event. Again, if you are interested in helping the 4CU in one of these capacities, just let me know!

**My email address is: [lhall15690@aol.com](mailto:lhall15690@aol.com)**

The greatest strength of our unit is our membership; we are a very diverse, unique, bunch of great people that share an enthusiasm for the Airstream product and enjoy having a good time. I look forward to meeting those of you that I have not met previously, and re-connecting with everyone I already know in the coming year! I know that together we will continue to build on the founding principles of the 4CU -

***"Camping, Fun, & Fellowship"*** See you around the Campfire! - *Louis Hall*

## 4CU Unit Flags

In my opinion, the Four Corners Unit has one of the best looking flags in the WBCCI. We still have 2 flags left over from the last order; we will not be getting any more made until we have a request for at least 25 more.

We are selling these last 2 flags at our cost of \$52 each, which is \$20 less than other flags of this size (3 X 5) and quality. If you would like to purchase one of these flags, please contact me at

**[rgirard5@cox.net](mailto:rgirard5@cox.net)**

I will have the flags with me at the Balloon Fiesta as well as the Region 11 Rally in Gallup. - *Richard*

## 4CU Recipe Book

The forthcoming 4CU Cookbook will focus on meals prepared in your Airstream, of course! Any dishes you may have served at one of the 4CU rally potlucks or Happy Hours would be great (and please be sure to mention what rally it was served at), or just any quick & easy recipe you may have that would be suitable for preparing and serving while camping out or picnic-ing!

**Send your camping/potluck recipes to  
Jan Girard at

## RALLY REPORT: ROUTE 66 RALLY

by Ken Johansen

Those who attended this rally truly did “get our kicks on Route 66” this past July! It was another “Four Corners First” – a mini caravan for those of us who cannot attend the longer WBCCI rallies.

We joined the New Mexico Route 66 Associations on their first tour of New Mexico on old Route 66. It was a step back in time to the days when the “Mother Road” was in its heyday. We all met up in Tucumcari NM for the first two nights. We toured the many murals in the city, saw lots of art deco architecture, and watched the old cars come in that were part of the tour. The goodie bag was one of the best, with all kinds of stuff - including an incredible tour guide that would give us the history and great stopping points along our way to Gallup NM.

Saturday we Airstreamers all took off with the old cars and drove to Santa Rosa NM where we stopped at our first old car museum – we were greeted by the owner with discount tickets and got to see some really cool cars. From there we went on to Moriarty NM and visited another rarely-seen car museum that was opened up just for our viewing – this was a huge collection of full size and toy vehicles, many that have been used in movies over the years. We had a great lunch at the historic El Condor Restaurant and Route 66 institution. The owners were so impressed by our trailers that they had us line up out front for a picture-taking session that will grace the walls of the restaurant!

After lunch we headed to Albuquerque to Enchanted Trails RV Park and were greeted by our Airstream friend and owner **Vicki Ashcraft**. That evening was spent with more vintage cars – at least 150 of them gathered at the Park for the start of the Neon Tour, a cruise to downtown Albuquerque where they were holding a Route 66 event.

Sunday we took off again to Gallup NM – stopped at a really cool art museum – took TONS of pictures! The scenery is just incredible across the whole state, with lots of vistas and old Route 66 buildings to photograph. Our tour ended at the historic El

Morro Theatre, where a raffle was held and lots more goodies handed out.

This caravan rally is a great way to see New Mexico, with all its diverse landscapes. We had new and old vintage Airstreams – one that was towed by a vintage Cadillac was a huge hit!

By all counts everyone had a great time and is planning to come back for next year's tour. Words cannot describe the great group we had, the breathtaking views, the delicious food, and the fun of experiencing and learning about the interesting history of old Route 66!

- Ken

## RALLY REPORT: HERON LAKE RALLY

by Tamara Rodriguez

September in the Pines! Wow, we could not have asked for a more perfect rally! The weather was warm and clear during the day, and cool in the evening. We had most of the Ponderosa Campground, which has beautiful lake views, to ourselves.

On Thursday the 16th, about half of the folks arrived, and were greeted by **Terry, Greg,** and **Anthony**. By Friday, all who could make it arrived. Had two units that had to cancel due to truck issues. Better at home than on the road though!

We were fully stocked with easy ups, tables, and chairs by group effort, which made for a great lakeside gathering area. We also had a few non-4CU folks attend the rally as guests, and they will hopefully join up! As you can see by the photos provided by **Terry** and **Patricia**, a great time was had by most!

The chili cook-off winners were: for 1st Place - **Lois & Brian**, with a very yummy dish. As was the Runners-Up's - **Caroline & Howard**. We had about 6 entries and all were great, and to top off the chili, we had a dutch oven peach cobbler with home canned peaches from our yard. The Taco bar was a wide mix of taco fillings, even ground lamb tacos.

On one evening we enjoyed the DVD of the African caravan, thanks to **Brad Norgaard** (Flyfisher). If you have ever seen the film, it makes one feel truly lucky to have modern highways and roads to travel on!

Folks attending the September in the Pines Rally had great water conditions to go boating, and beautiful sunsets to photograph. Northern New Mexico was at it's finest, to be sure!

Sadly, the time came for some of the travelers to start home. By Monday evening, it was just **Greg & Terry**, who stayed on for a few days, before going up to the Jemez Mountains to relax and see the sights - then onward to meet up with the 4CU Albuquerque Ballon Fiesta Rally.

**Anthony** and I want to thank everyone for attending and making this year's rally a memorable one. I have forwarded some recipes to **Jan** for the 4CU Cookbook. They are also being sent to **Lois & Brian**, so they can make some of the goodies that were included in the chili basket prize.

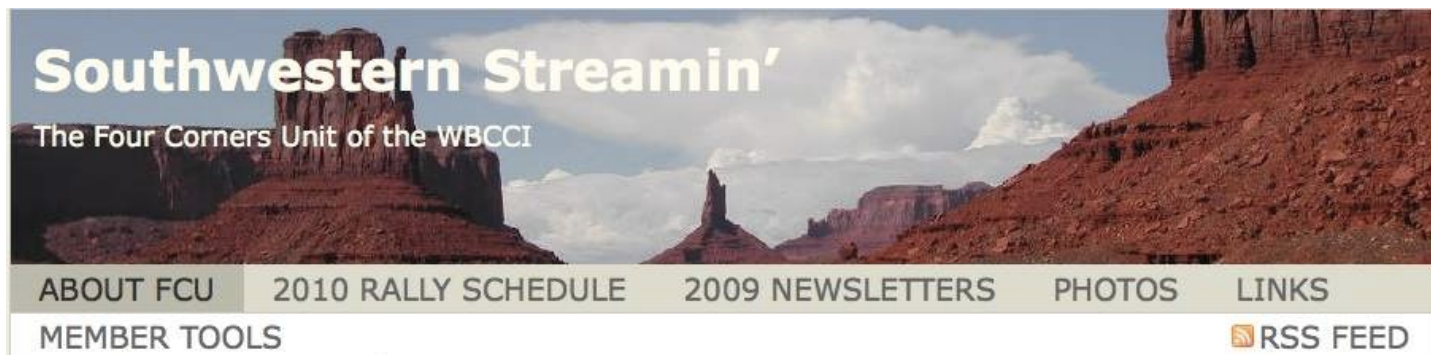

Looking forward to meeting up with those who missed Heron Lake at the Balloon Fiesta in a few days! Travel safe and see you soon! - **Tamara**

## 4CU MEMBER NEWS

Several 4CU members held an impromptu gathering over the Labor Day weekend at the Mogollon Campground (BLM) up in the White Mountains of Arizona. While we couldn't all join them, we can see from the photos (provided by **Terry Rich**) that they had a grand holiday relaxing in the cool pine woods, enjoying the breathtaking views from the Rim!

### PLEASE RENEW YOUR MEMBERSHIPS FOR 2011!

**It's time to renew your memberships for the next calendar year ...2011!**

#### **Why this early for 2011?**

Even though your current 2010 membership runs through Dec. 31, 2010, we begin renewals mid-summer for the next calendar year so that we can have members' information to the International Office by November 2010 ... to get everyone's name in the International Directory which is published January 2011. Starting early gives everyone ample time to get their dues in. If you pay your dues later in the calendar year, your name and WBCCI number will not appear in the International Directory.

#### **What about new members?**

The 2010 membership roster is closed and new members joining after July 1 will be joining for the 2011 calendar year ... and getting the balance of 2010 as a bonus. Their official year of joining will be 2011. So if you know of anyone who is interested in joining us, please print out an extra application and pass it along to them...the time is right! (Remember, you are all members of the Membership Committee!)

RED ROCK PARK, with elevation from 6600 to 7000 feet and encompassing 640 acres, has a large campground equipped with electric and water hookups, picnic areas, restrooms and showers. The spectacular red cliffs which frame the Park on three sides began formation 205 million years ago, during the Mesozoic era, sometimes referred to as the Age of the Dinosaurs. Several archeological sites in the Park record the presence of the Anasazi, a prehistoric farming culture which developed and persisted in the area from 300 to 1200 AD. From 1700 to the present, the region has been sparsely inhabited by the Navajo Indians.

Red Rock Park, situated in Indian Country, is the gateway to Zuni, one of the Seven Cities of Cibola sought by Coronado and the Conquistadors; Acoma, the sky city, one of the oldest inhabited cities in the United States; Old Laguna Pueblo and its Spanish church; the Hopi Reservation; and the Navajo and El Morro are among the National Monuments within a two hour drive from Red Rock Park. Petrified Forest National Park, the Ice Caves beneath Lava Badlands with temperatures of 31 degrees year round, the incomparable views of the badland formations known as the Painted Desert are all natural wonders that shouldn't be missed when exploring the Gallup area.

## PARKING RESERVATIONS

Parking is \$15.00 per night with water and electric. (This is separate from the Rally Fee and paid directly to the park.) Dump sites are available within the park.

## UPCOMING RALLIES

### October 15 - 17, 2010 Pumkin Chunkin Rally, Estancia NM

Pumkin Chunkin (officially known as the Estancia Pumpkinfest) is the event of the year in the small New Mexico town of Estancia. Last year was the first time there was an Airstream Rally in connection with this event and it was a great success!

Starting Friday October 15, we will set up camp at the Torrance County Fairgrounds. Saturday morning those who want to can decorate their rigs and parade through town among the fire engines, vintage cars, horses, and other floats and groups. If you don't particularly care for being IN the parade, you

can walk from camp to WATCH the parade!

The Pumpkins are chunked by various "chunkers" ranging from slingshot contraptions, trebuchets, to giant semi trailer-sized cannons. Saturday evening there will be a dinner at a local restaurant. A pot luck breakfast will be held on Sunday morning. If you want to explore the area, there are historical towns, Pueblo ruins, and National Forest. Estancia is just a short jog from Albuquerque or Santa Fe.

- The \$25 fee covers camping at the fairgrounds. Extra \$ will be applied towards coffee, snacks, yummys, and incidentals. It won't cover Saturday's dinner at the Bella Notte, but their prices are pretty cheap and the food excellent.
- There are a limited number of electric hookups for those who really need them. There is a dump station of sorts available. No water hookups.
- No showers.
- Last year we were able to use one of the buildings which has a large kitchen, meeting room, and bathrooms.
- This year the Rotary Club may use this building Saturday morning for a public fundraiser breakfast.
- An individual parade entry form is optional. I will register as a group. The parade is pretty informal.
- Bring lots of candy to throw at the kiddies! Friday and Saturday night we will have a campfire (conditions permitting). Let me know if you can bring some firewood or one of those propane campfires.
