## Immediate Past President's Message by Janis White

Hello, all you wonderful 4CU members! This year your unit put on a record number of rallies, and I hope you were able to attend at least one. The food, fellowship, and just plain fun we share at a rally are the best reasons to belong to 4CU. Thank you to all our hosts and their support crews. Without your willingness to host, 4CU would not be as vibrant and growing as it is!

This year your unit also reached a membership milestone. We are now 200 strong in full memberships, and a huge "thank you" goes out to **Terry Rich**, our Membership Chairperson. He works on recruiting and retaining members at every rally and every campsite he visits, and his enthusiasm and engaging personality have played a

large role in our unit's enrollment success!

Elections for your unit's 2016 Board are now in the books. Thank you to outgoing Board members for your service, and thank you to our new Board members. Without your willingness to volunteer your time and energy in filling these positions, 4CU would not exist as part of the WBCCI. And thank you, 4CU members, for participating in 4CU activities!

Barbara and I wish everyone the best for the holidays and many great camping adventures down the road. ~ Janis

## Congratulations, 2016 4CU Board Members!

**The 2016 Election of 4CU Board Officers was completed in October!** We received 87 votes, which is 44.2% of the possible 197 full voting members to whom ballots were sent. The vote was a unanimous acceptance of the slate as presented.

**First we owe a word of thanks** to our retiring board members: Paul Ward, Retiring President; Tamara Rodriguez, Retiring Secretary; Greg Schmuker, Retiring Trustee; and Ray Mazza, Retiring Trustee. **Thank you all for your service to the Four Corners Unit!** Without your willingness to participate in the leadership of the Unit, the 4CU could not be what it has become in its relatively short history.

### Following are the 2016 4CU Board of Directors and Committee Chairs:

President: **Steve Bittner**  
 1st Vice President: **Terry Rich**  
 2nd Vice President: **Sergio Quiros**

The offices of President, 1st VP, and 2nd VP are elected for 1-year terms with a limit of two consecutive terms. The offices of Treasurer and Secretary are also elected for 1-year terms but there is no limit to the number of consecutive terms they may serve. Trustees are elected for two-year terms, which are staggered so there is at least one Trustee continuing on to the next year. The Immediate Past President is a non-elected board position and the IPPresident serves for the duration of their successor's term. Committee Chairs are appointed by the President.

**The 2016 Board officially takes office on 15 December 2015.** We hope to see as many of you as possible at the New Year's Rally to welcome the new board members, to recognize those changing their positions of service, and of course, to extend our thanks to those retiring. We appreciate the willingness of all Board members — past and present — to step up and serve the Unit and keep it running smoothly and effectively!

## Rally Report: Southern New Mexico Rally, Pancho Villa SP, Columbus, NM by Howard Efner

*Photo courtesy of D & D Moore*

The Four Corners Unit of WBCCI held the second annual Fall Rally in Southern New Mexico at Pancho Villa State Park from October 22 to October 26, 2015 ... and happily, this year, mud-free! The rally, co-hosted by **Terry Rich**, **Greg Schmuker**, and **Howard and Carolyn Efner**, had a total of 14 Airstreams in attendance. The park, located in the Village of Columbus, NM, is on the site of Camp Furlong, which was attacked during the 1916 raid of Pancho Villa's forces. The exhibit hall and remaining historical structures help to capture the history of the raid and subsequent unsuccessful pursuit of Villa's forces in Mexico by General John "Blackjack" Pershing.

One highlight of the gathering was the Saturday morning car show held in the Exhibit Hall/Park Office parking lot. There were about 50 vehicles entered and they varied from "Rat Rods" to Vintage/Classic/Antique automobiles, along with several motorcycles and two three wheel motorcycles which looked more like aircraft without the wings. There were three 1951 Hudson Hornets parked side-by-side – have not seen that in a long time. It was a walk down memory lane for most of us for sure!

The rally began on Thursday, October 22nd, with an informal Happy Hour for the early arrivals. Friday was the formal start of the rally and there was a meet-and-greet Happy Hour held in the Camp Furlong Recreation Hall. Carolyn had recruited helpers for a Tiramisu making party for the Saturday dinner, and they suffered through assembling 2 big pans of dessert with the required tasting. Saturday's potluck featured an Italian theme with Lasagna being provided ... with the Tiramisu and other desserts.

Sunday the 24th was the optional trip to the Pink Store in Palomas, Mexico for shopping, margaritas, and lunch. Everyone joined in the outing and all had a great time! The free While-You-Shop margaritas were good, too!

Sunday evening was the Clean-Up-the-Leftovers potluck – as if we all needed to eat more food! Sadly, all good things must come to an end, so Monday October 26th was Happy Trails Day.

Since the car show was so popular, we have reserved the Recreation Hall next year for October 21 – 23, with the rally dates being October 20 through October 24, 2016. Hope to see you then!

## Member News Notes

By Terry Rich

**Jim & Kathryn Bloom** (Decatur, AL) decided to transfer their membership to the AL Unit for 2016 ... but happily, they are remaining Affiliate members of the 4CU! We are pleased that they will remain in our circle of Airstream friends!

**Lori Churchwell** (Albuquerque, NM) had shoulder surgery in August to correct injuries sustained in an earlier auto accident. She has been in physical therapy to regain strength and use of her shoulder and arm, and has now returned to work. We are pleased to know you are progressing well, Lori, and we hope to see you again soon! But no arm wrestling, OK?!

**Mike & Betty Gardiner** (Grayling, MI) are spending part of the winter in Florida again this year. (Hopefully they will come see us in the SW next year!) They have already left MI for points south, and their plans include meeting up with **Ed & Jeanne Stroetz** (Thomson, GA) in the Keys, and a visit with **Jon & Deb Kaslove** (Ormond Beach, FL)... We don't have confirmation but it would not surprise us to hear that **Jim & Mary Wherrett** (Omaha, NE) are going to be part of the informal "4CU Florida Enclave" gathering again this year. We should have a rally there!

Our sincere condolences go out to **Cindy Johnson** of the Heart of Texas Camping Unit, for the tragic loss of her husband, **Carl**, and his daughter, grandson, and his daughter's boyfriend and his children. They were attacked and murdered while on a camping outing on their own property near Palastine, TX the weekend of 14 November. Several of our members know the Johnsons through our rallies and various connections with the HOTC Unit. We all join our fellow 4CU members and our Airstream Family in the HOTXC Unit in their grief and loss. Here are two links on the Airforums relating to this awful tragedy: <http://www.airforums.com/forums/f48/hotc-tragedy-143746.html> and <http://www.airforums.com/forums/f48/hotc-tragedy-143746.html> .

**Ken & Sue Martin** (San Diego, CA) have sold their 1970 Safari so they will be leaving the 4CU fold at the end of this calendar year. They have admitted, though, that those Bambis are pretty alluring ... so who knows? Perhaps they will return to the 4CU sometime in the not-too-distant future! We'd welcome that ... in the meantime, our best to you!

In the March issue of the Four Corners Unit Roundup, we featured **Mark Rands and MJ Christensen's** (Thornton, CO) acquisition of a commercial 1960 Southern Pacific Railroad Airstream ... all 35 feet of it! And many of us saw it in person at the Pagosa Springs Rally in July. Since then Mark & MJ have acquired a 1963 32' Mobile Industrial Trailer, also made by Airstream's commercial division in Santa Fe Springs, CA and used by Southern Pacific Railroad. This one is thought to be even more rare than the 35'! Don't forget that they have OTHER airstreams in their "collection"! Yikes! Now inquiring minds want to know ... where/ how does one STORE these big beauties? More on that later!

**Peter & Susan Rachtman** of Rio Rancho, NM sent in a photo of their recent acquisition. Motorhome Mickey is a 2005 396XL. Not all Airstreams are silver ...

### *Member Migrations:*

**Don & Marilyn Sluyk** have moved from Phoenix into their new home in Scottsdale! Their new contact information will be available in the January 4CU Directory (or contact Terry Rich). Congratulations on finally getting your home finished ... we know it's been a long journey!

Past member **Harry Walters** has relocated from his and his late wife **Marge's** longtime home in Scottsdale to Hanson, MA. If you'd like Harry's contact information please let Terry Rich know. Harry recently related that he misses the 4CU and his Airstream friends very much. We wish Harry all the best in this new chapter of his life.

Any other moves we should note? Just let us know!

Those who have not yet attended a rally, why not sign up for one soon and jump in ... you won't regret it! We all look forward to seeing you around the 4CU campfire as soon and as often as possible.

**Will You Help Welcome New 4CU Members?**

We have a small group of members who have volunteered to send welcome email notes to new members as they join. You can be part of welcoming our new members in and letting them know that we look forward to seeing them at a rally soon. If you'd like to help in that effort, drop Terry Rich a note at [Terry@TBRich.com](mailto:Terry@TBRich.com). You will be CC'd on each welcome letter that goes out ... then you can follow up with a personal welcome note of your own at your leisure. This is really easy and an important way to help with membership ... Reaching out to our new members makes a world of difference to them!

**Our Latest Membership Numbers:**

As of this reporting we have **202 Full Member Rigs + 90 Affiliates for a total of 292 Member Rigs (this represents 2015 members and new members for 2016)! Congratulations!** It's because of you that the 4CU remains one of the top WBCCI units in growth ... and is known for its great gatherings, fun times and welcoming membership. All our members have a hand in making the unit what it is today.

**Help the 4CU Continue to Grow!**

**When we camp there are often opportunities to share our good times in the 4CU** with other Airstreamers we meet along the way. All members are part of the membership effort ... why not print some **4CU 2016 Member Applications** (see the last page of the Newsletter) and keep a supply in your rig ... or keep a copy on your laptop to email to folks you meet while camping! You just never know when someone will want information about the 4CU! Word of mouth is our greatest membership development tool.

### The 2016 Membership Renewal Season Is Winding Down!

We began our 2016 membership renewal efforts in July. And we have had a good response to our renewal efforts so far. **But for those who have not yet renewed, time is running out! If you have not renewed your membership for 2016, this is the last month to do so in order to maintain uninterrupted membership. The annual dues are due by 31 Dec 2015. So please take a moment and complete the form at the end of the Newsletter or go to <http://4cu.boondocking.net/application.php> and renew instantly online. It's easy!**

FOR SALE by Owner:

### 2014 Onyx Airstream 27FB

Our 2014 27FB Onyx is number 31 of the 136 made. With a move to South Dakota it was necessary for us to leave the Airstream in Prescott, where it is currently housed. We only have about 3,500 miles on it but are not planning more camper travel because of the move. This was our second Airstream, so we hate to put our camping on the shelf, but want someone else to enjoy our really fabulous Onyx.

We made a number of upgrades even though the Onyx is an Airstream on steroids. They include two 160W solar panels, an upgraded 2,000W inverter, roof mounted TV dish, awnings on the driver's side & the rear, & a weight distribution system that is a jewel. We have a number of other outfitting items that we'll leave on board.

We also have a mounted rear view camera on the Onyx. The monitor operates remotely by simply plugging it in to the 12V plug in the cab of a car or truck. Although many think it is a great back up camera (and it is), I think it is particularly good as a safety camera for on-road travel.

From the feedback we are receiving in South Dakota and Wyoming, there's a lot of interest in Airstream's ability to be a four-season camper. Our 27FB Onyx not only has the upgraded HVAC but the added 320W of solar power for added boon docking - or getting stranded in the winter. In case that happens, the added TV dish (auto channel seeking) means the occupants have something to do while the weather clears, with the added security of solar power. So the story is, Airstream as Airstream owners know is not season-limited and that is particularly so with Ricky, as we call our Onyx. Contacts we've received indicate that the notion of the Onyx as a collector's Airstream is just now being understood and the importance of only 136 models ever having been made (or possibly ever will be made) is of growing importance. Good time to upgrade to an Onyx or let friends know so they can join in the satisfaction, and fun, of an Airstream.

Anyone interested should call me (**Don**) at **480 363-6428**. I have photos & a friend in Prescott who could show the camper. Alternatively, I can come down for a personal showing if someone has a serious interest.

Roper Lake State Park  
A Well-Kept Secret in Arizona Camping  
Travel Log & Photos by Terry Rich & Greg Schmuker

This travel log entry will be a bit different than those in the past... After the rally at Pancho Villa State Park in Columbus, NM in late October, we decided to stop for a night at **Roper Lake State Park** about 6 miles south of Safford, AZ. It's about 30 miles north of I-10 on US 191. We have not been there for some time ... and the last time we were, the lake was very low, and the park felt very "sad" in comparison to earlier visits. This time, however, the lake was much higher, and it looked better all the way around. The lake level was high, the rushes were growing well, the birds were doing their bird things, and the mountain in the distance sparkled. We were very pleased to see the lake looking as we remembered if from earlier times.

As mentioned, we have been to Roper Lake many times at varying times of year ... but fall seems to be especially pretty there ... the air is crisp, making the evening great for campfires, the nights good for sleeping ... yet the days warm enough to take walks and short hikes around the park. It is very “fall-ish” there with the trees turning and the Island peninsula to roam. We invite you to visit our travel log website and sample our visit there over the years ... Here are some of those trips listed in our travel log:

**Roper Lake for Thanksgiving**  
**A Meandering Tour of Southern Arizona**  
**Roper Lake State Park**  
**On the Road Again: Roper Lake State Park**

Many things have remained the same at Roper: The roads and campsite pads are paved and well kept. There is a large area for dry camping that can also be reserved for group events ... and there are even cabins available for your non-RV friends to make use of. There are two large loops offering electric and water sites with modern rest rooms and showers. There is a

hot-spring-fed soaking tub ... which, happily, has been updated and upgraded from the earlier years. Birding, fishing, picnicking, canoeing, kayaking, and small boating remain popular draws for the park, and there's even a beach for swimming!

Some things have changed over the years. You can now make reservations, which wasn't the case when we first began going there ... but of course, rates have increased to the more or less standard AZ State Park \$25/night ...one of the less popular changes from the good ol' days.

The sites in Hacienda Loop have been redone recently ... they are more level and some of the sites that were very deep have been shortened ... but are still plenty roomy. **Dankworth Pond**, a sub-unit of the park located 3 miles to the south, is now renovated and re-opened as well. Both Roper Lake and Dankworth Pond were part of a fish hatchery system earlier, and fishing in both remain major attractions ... both are stocked with bass, crappie, bluegill, catfish, and trout.

Other area attractions include pecan groves and a winery in Bowie, AZ to the south near I-10, and Mt. Graham, the highest peak in Southern Arizona. There are National Forest Service campgrounds on Mt. Graham, too ... and the mountain is spotted with historical areas. Unfortunately, access is a bit of a white-knuckle experience. We have been up to the first campground — once, sans trailer — and have not wanted to venture further. Others may be more adventurous. It's too bad because Mt. Graham could provide relief in our summers.

The pictures here are from our most recent stop there in October, but you can see many photos from earlier visits on our **travel log**. We recommend Roper Lake as not only a destination, but as a pleasant stop-over between central and southern AZ areas to SoNM. If you have questions about the park or potential routes through the area, please contact Terry & Greg at **Terry@TBRich.com**. And who knows? Maybe the 4CU will have a rally there one day!

## **RUIDOSO ROUNDUP - REGION 11 RALLY**

**OCTOBER 5-9, 2016**

Ruidoso is a beautiful mountain town in southern New Mexico nestled in the Lincoln National Forest. Rally plans are still underway. However the timing is just right for us to take part in the Lincoln County Cowboy Symposium – home of the worlds richest chuck wagon cook-off as well as entertainers, and cowboy activities for our enjoyment. There are numerous museums, artist shops, hiking trails and for the more daring, the Apache Zip-line over the lake at the Inn of the Gods Resort and Casino. We will have rally activities and plenty of free time.

**You should make your reservations with the Rainbow Lake RV early (before September 10). We have a limited number of sites reserved that can only be held for a limited time. Reserve early!**
