## EDITOR'S LETTER

By Bonnie Bobman

Falling Leaves? Cooler Dessert Temps? Snow - Possibly near Denver tomorrow!

Autumn is here and beautiful seasonal changes bring more variety for camping choices here in the southwest. Many members living in the the warm desert are looking forward to visiting local areas once again. This year we have a few new ideas humming around the unit. Along with a new Tucson rally in November for relaxing just before the Thanksgiving holiday preparation begins, there has been some chatter about getting those "impromptu" gatherings together.

Remember, you can always use your handy directory to connect with fellow 4CU'ers in a particular area you may like to visit. Being locals, your fellow members can provide an unmatched perspective on a new location for you. Perhaps you may even plan to meet them as well! Not all 4CU camping events need to be a rally. But you never know, one of these informal meetups may evolve into a popular annual rally.

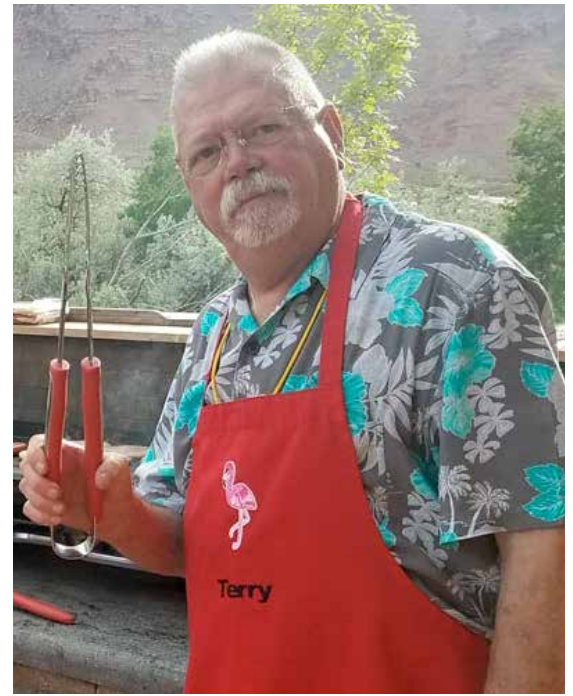

Either way, get out there and take advantage of your area, get to know a site and please share it.

Safe travels and have a very happy and healthy holiday season,

Bonnie

# Letter from Our President

✧ By Terry Rich ✧

4CU Members!

It's hard to believe it's already October! The leaves are turning and days are feeling more like fall as the last vestiges of summer fade ... and we begin our annual trek through the holiday season.

The 4CU has had a great year with some exceptional rallies. And while we still have Thanksgiving and New Year's on the horizon, it's important that we not stop planning for 2020! Frankly, at this point in time, we do not have many 2020 rallies on the docket. I'll say it again: it is absolutely critical for us to hold unique, compelling rallies that hold the interest of our members and attract the attention of potential members. It's plain and simple — rallies are why the 4CU exists.

AND, frankly, it's up to YOU! The Board and a handful of dedicated members cannot do it all. If they try, they will burn out. Sadly, I have seen evidence of burnout in some of our most dedicated members. They are growing tired of doing it all — tired of being the rally workhorses — the ones who say, "Sure, I will do that." Rank and file members must get more involved, take on some responsibility and really work at planning rallies. The tools and support are there for you. Don't leave it up to someone else to provide events for you to enjoy. Do your part! Wouldn't it be great if we had too many rallies to fit in?

During summer we published a summary of the 4CU Rally Survey we conducted earlier (available on the 4CU Rally Page: <https://fourcornersunit.com/content/RallySurveyResponses.20Jun19.pdf>). The summary is not only interesting but provides information that can be useful in future planning ... what people like, what they don't like and where they'd like to see rallies happen. The "potential venue" list at the end offers lots of options for new rally hosts to explore. Why not take a look and see if there's a rally site that you'd enjoy hosting? Get together with other members to be co-hosts and share in the planning process. Perhaps you can be the host of the next big rally success! Yes, there is work involved. But nothing good comes without some sweat equity. The Unit needs your participation in rally development!

As you know, the election for the 4CU 2020 Board of Directors is underway as I type. The Nominating Committee began in early August and communicated almost daily through the end of September in order to identify and consider potential Nominees for a number of positions which needed to be filled. The Committee completed the nomination portion of its task just in time to begin voting on 1 October with the distribution of the Election ballot to our Full Members. The Nominees are: President: Sergio Quiros; 1st VP: Bonnie Bobman; 2nd VP: Debbie Vesco; Treasurer: Howard Efner; Secretary: Ramona Marsden; Trustee: Cathy Verhines; Trustee: Grant Olds. (Alan Rose is the 3rd Trustee, elected last year for a 2-year term). Thanks go to the Nominating Committee — Terry Rich, Sergio Quiros and Scott Verhines — for their work to establish a Slate of Nominees. And of course, thanks to each of the Nominees for accepting their respective nominations. Members, please cast your vote (one vote per rig). If you did not receive the ballot, please let Terry Rich know and he will resend it to you. Voting closes on 15 October at 5pm.

This will be my last "Letter from the President" as I complete my 2nd term. Your new President will take office on 15 December along with a new Board — and a new era will begin. I am proud of the 4CU and where we have come since our founding not that long ago. We have been pioneers in providing dynamic rallies, in membership development, in taking advantage of technology in Unit operations, and in building perhaps our most important asset — our reputation of being a fun, inclusive, and welcoming Unit. It all adds up to one great bunch of Happy Campers — which I am proud to have served.

Onward & Upward!

Terry Rich

A big 4CU WELCOME to each of you! We are pleased to have you join our merry band of happy campers and encourage you to get involved ASAP! Those who haven't attended a rally, why not sign up for one soon and jump in? You won't regret it! We all look forward to seeing you around the 4CU campfire soon!

## *Will You Help Welcome New 4CU Members?*

We have a small group of members who have volunteered to send welcome email notes to new members as they join. You can be part of that effort. If you'd like to help, drop Terry Rich a note at [Terry@TBRich.com](mailto:Terry@TBRich.com). You will then be CC'd as each new member welcome letter goes out. Just follow up with a personal welcome note of your own at your leisure.

This is an easy but important way to help with membership. Reaching out to new members makes a world of difference to them! The best thing you can do to keep the 4CU strong is to help new members to get involved and help them get acquainted with other members. We all know how hard it is to join a new group not knowing anyone. This is a chance to ease someone's way to being a new friend right at the get-go!

## **It's That Time of Year!**

Our Membership Renewal efforts for 2020 are well underway. We have had a very good renewal response so far. Thanks to those who have already renewed! The dues remain the same as this year ... \$65 for International Dues + \$2 for Unit dues for a total of \$67. You can use the form at the end of the newsletter and mail it to Howard Efner, our Treasurer, or go online to <http://4cu.boondocking.net/application.php> with a small processing fee. We are sending reminders each month through the end of the calendar year to those who have not yet renewed. The actual deadline for renewal is December 31, 2019. IMPORTANT: You must have your renewal in place by October 31 for your name(s) in order to appear in the International Member Directory that will be released in January 2020.

## ***Can I switch my Full Membership to the 4CU?***

Yes. Members of other units may transfer from their original "home" unit to the 4CU if they wish. Just check the appropriate boxes of the 2019/20 application and submit the International Dues of \$65 plus the 4CU dues of \$2 for total of \$67 by check. Or, if you transfer your membership by using the online option (check the "transfer" membership type), the total is \$67 plus the processing. We will notify International of your transfer to the 4CU and take care of all the paperwork necessary so that your overall WBCCI membership is maintained without interruption. We would welcome you as a Full Member, of course, but it is entirely up to you. We are very happy to have you with us any way you see fit! (If you wish to remain an Affiliate of your former "home unit", you would submit that unit's unit dues only directly to the unit's treasurer.)

## Our Current Membership Numbers:

We currently have 206 Full Members + 82 Affiliate Members  
for a total of 288 Members.!!!

## HELP THE 4CU CONTINUE TO GROW!

There's a 2019 Membership Form available on the 4CU Website at  
<http://fourcornersunit.com/membership.html> and an online version is available at  
<http://4cu.boondocking.net/application.php>.

When we camp there are opportunities to share our good times in the 4CU with other Airstreamers. Why not print some 4CU Member Applications and keep a supply in your rig ... or keep a copy on your laptop and phone to email to folks you meet! You never know when someone will want information about the 4CU! Word of mouth is our greatest membership development tool. And you can always send them to Terry Rich for information..

If you have any questions about 4CU or WBCCI membership, your current membership status please do not hesitate to contact Terry Rich, Membership Chair, at [Terry@TBRich.com](mailto:Terry@TBRich.com).

Happy trails!

## You will LOVE Hosting a 4CU Rally!

Yes, it takes work. Yes, it takes planning. And YES you can do it!

And you will not be alone. We can help and provide guidance and support. And voilà —before you know it, you're a seasoned rally host!

The 4CU Rally Guidelines can be found on the 4CU website at: <https://fourcornersunit.com/rally-planning-guidelines.html>

Let us know what you are thinking! Even if it's outside the box. (We like outside the box!)

## 4CU MEMBER NEWS

✧ By Terry Rich ✧

**Bruce Mulligan & Janis Checchia (Arroyo Seco, NM)** returned from a 4,000 mile trip to Canada this summer in their Interstate with no incidents. But when Bruce took their rig to Albuquerque shortly after their return, he found himself in a “situation” as the car in front of him lost a tire. Despite a quick maneuver to change lanes, the tire hit the right front quarter of his rig, near the passenger side of the windshield. Bruce’s quick thinking likely prevented the tire from smashing through the windshield. Fortunately, Bruce was not hurt. But man, what a close call. Hopefully they will be back on the road soon — after necessary repairs.

**Lou & Pat Santoro’s (Los Alamos, NM)** rig and truck got hit with a bad hailstorm sustaining major damage to both. Ouch. That was in late May...and Jackson Center scheduled them for 3 September and needed a month. Ouch again. Talk about dead in the water for a big chunk of the year! Hang in there, you two — it will be made right and you will be on the road again with new, smooth panels!

**Lisa & Rod Sly (Albuquerque, NM – Affiliates/NM)** were featured in a photo essay about the Doswell Rally in the Fredericksberg.com online news

[https://www.fredericksburg.com/gallery/photos-nd-wally-byam-caravan-club-international-rally/collection\\_69fc6aaf-b171-5641-bb59-202d585b7a1d.html#13](https://www.fredericksburg.com/gallery/photos-nd-wally-byam-caravan-club-international-rally/collection_69fc6aaf-b171-5641-bb59-202d585b7a1d.html#13) .

Check out the nice Airstream pics, and pay special attention to pictures #12-14. That’s Lisa in their beautiful 1956 22’ Safari! Congrats!

**Robin Vaughn & Peggy Rittmann (Flagstaff, AZ)** have pulled up stakes in Flagstaff and relocated to Las Cruces, NM. Robin is from Las Cruces, and they moved to be closer to his family. Robin admits that it’s too hot in SoNM in the summer for him, so they will still be spending time in the coolness of Flagstaff. Congrats to them on the new digs! We are just pleased they are still in the Four Corners area.

# THE 4CU RALLY SURVEY SUMMARY AS OF JUNE 20, 2019

The 4CU Rally Survey has been available for a little over 2 months now, so it's time for the first Summary of the information we have gathered as of 20 June 2019.

The response is not what we hoped it would be ... only 70 responses out of the 388 individuals invited to participate (the number of individual email addresses in our membership). That said, the Survey is still open for business so if you haven't taken the survey and would like to, your responses will be part of the next Summary. Members may also take the survey more than once as we move forward. The Survey is available on the Rally Page of the 4CU Website (<https://fourcornersunit.com/rallies.html>). For now, we thank those who have participated, and we will work with what we have!

The Summary is just that. Not every detail of every response is shown. Rather, we have gone through all the raw submissions to identify trends ... and finally, represent the useful data in a more viewer-friendly and digestible format using pie charts and graphs to illustrate response trends.

At the end of the Summary is a list of venues that people indicated interest in. Some we have already visited, but many we have not. Potential rally hosts often ask, "Where should we explore to hold a potential rally?" This list is a great resource for those wanting to host a rally, but don't know where to look. Check it out!

There are some interesting trends and even a few surprises here and there, so check it out. Hopefully the Survey and Summaries will prove to be useful tools in planning future rallies.

Here's a link to the Summary

<https://fourcornersunit.com/content/RallySurveyResponses.20Jun19.pdf>

... and it will also remain available through the Rally Page on the 4CU Website.

Rally on!

# THE FORUMS

“our private online community”

**Don't forget! We now have a PRIVATE 4CU Forum just for 4CU members and Affiliates.**

It requires you to activate your account using your email address.

If you have NOT activated your account, please follow the instructions below and join great discussions.

If you have trouble getting your account activated please contact us know...

## Step-by-steps to begin exploring the 4CUForums:

**Don't worry...**it's not as bad as it looks... we've just broken it into step-by-steps to make it easier to follow.

The **first mail address each person uses for 4CU mailing list** has been pre-loaded to the user list. If we have 2 email addresses on file for a given member, we only uploaded the first email address ... this system will only allow for 1 email address per name. If there is a question about which email address we are using let me know and I can check that. New 4CU Members will be uploaded and informed when they may proceed with the process.

**(1) Please follow this link to the 4CU Forums** <https://forums.fourcornersunit.com> .

**(2) Click on the “Log In” in the upper right hand corner.**

**(3) In the “Log In” Window, type in your email address and click on “Forgot Password” at the bottom.**

**(4) In the “Forgot Password” Window, click on “Recover Password”.**

**(5) You will be sent an email with a link to reset your password. Click the link in the email and follow the instructions** to reset your personal password.

**(6) Once your email is reset, you should have access to the Forums. If you are not automatically routed to the Forums return to the link above and log in using your new password.**

### A Few Notes:

**a) The layout and appearance of the Forums will differ depending on the device you are using.** Instructions and general information are based on laptop or desktop computer views/layouts.

**b) You can reset your password at any time** by clicking “Forgot Password” in the login process and going through this process again.

**c) If your email address should change, you can update your email address in your Profile** ... under “Settings” in the pull-down menu under your name. You can also change your name but it must not have any spaces in it. If it does have spaces some forums functions will not work properly....we chose the standard name format to be “FirstLast” for consistency.

**d) Rest assured that no one outside the 4CU has access to your email information.** This is the same information that you have submitted to the 4CU for our records and for the Director materials.

**We hope you like what you find in the 4CU Forums! Have fun!** And if you run into a bump. please don't give up ... let us know and we will assist.

## Chile Run - Silver City, NM

The Second Annual Chile Run was held in Silver City New Mexico over Labor Day weekend and a good time was had by all. This rally included a trip to La Esperanza Winery in Mimbres and a hike to the Catwalk Recreational Area in the Gila National Forest. On Saturday evening, we enjoyed a fun dinner at the Buckhorn Saloon and Opera House in Pinos Altos, New Mexico where we sat as a group in the 1850's Opera House. Sunday was a fun potluck with margaritas flowing. It was a terrific group of 'Streamers and we hope to see you again next year.

# Chili Chama Whistlestop Rally

Chama, NM

We would like to thank everyone who attended the Inaugural Chilly Chama Whistlestop Rally for making it a huge SUCCESS! The Little Creel RV Park turned out to be perfect for a rally and the Train Ride seemed to be a big hit as well. The owners of the park were also quite a hoot!

Our appreciation to Dan and Vera Rossbach for the initial planning and to Harry and Ruth Vollmer for their valuable help as “Co-Hosts” of the rally. Discussions are underway for a possible rally there next year because there is more to see and do in the area. We were glad to be able to share beautiful Northern New Mexico with the 4CU.

## **Recreational Flyers – Interim Safety Guidance Available to Explain How, When and Where You Can Fly Your Drone**

The Federal Aviation Administration (FAA) has issued interim safety guidance for recreational flyers that reinforces recent changes to how, when and where users can fly drones for recreational purposes.

The FAA's Advisory Circular explains the conditions users must comply with in order to fly under the exception for recreational flyers, and simplifies information in the Federal Register Notice.

This AC outlines eight conditions:

1. Fly strictly for recreational purposes.
2. Follow the safety guidelines of a community based organization.
3. Keep your drone within your line of sight, or within the visual line-of-sight of a visual observer who is co-located and in direct communication with you.
4. Operate in a manner that does not interfere with, and gives way to, any manned aircraft.
5. Do not fly in controlled airspace (around and above many airports) unless you are flying at a recreational flyer fixed site that has an agreement with the FAA.
  1. Flight in controlled airspace is temporarily limited to these fixed fields. The FAA is upgrading the online system, known as LAANC (the Low Altitude Authorization and Notification Capability), so that recreational operations can get automated airspace authorizations to fly in controlled airspace. This system is currently only available for certified Part 107 drone pilots.
  2. Do not contact the local FAA Air Traffic facilities for airspace authorizations.
6. Fly your drone at or below 400 feet when in uncontrolled or "Class G" airspace.
7. Pass an aeronautical knowledge and safety test.
8. Register and externally mark your drone, and carry proof of registration with you.

# *Heads Up!*

**JUNE 20 - 27, 2020**

**Loveland, Colorado**

**Registration opened on Thursday, July 25, 2019 at 2pm Eastern Time** — during the Doswell Rally. Traditionally, registration is very heavy for the next year's rally, so don't dally if you wish to attend the Loveland Rally.

**Registration information** may be found on the WBCCI website at <https://loveland.airstreamclub.net> . You will be able to register online (preferred) or by hard form.

**You may be thinking:** Will there be a 4CU presence at Loveland? (Yes, hopefully.) Who else is going? (We don't know yet but we have started a list.) Will we be able to park together? (Possibly.) What about a caravan — can that happen? (Yes, with adequate planning ... and there IS chatter, so stay tuned! If you are interested in helping with said caravan, let us know.) If you are attending Loveland2020, please drop Terry Rich a note to get yourself a list of potential attendees. We'll keep you abreast of any 4CU plans for Loveland2020.

**While it's not too soon to begin thinking** about all these possibilities, the most important thing at this time is to get yourselves registered (for hookups) if you want to attend! Those who wait too long will not make the cut and will be left at the mercy of cancelations.

**AGAIN, if you want to attend Loveland2020, get registered first, THEN we can worry about the other possibilities!**
