*April 6, 2020*

So, we've been hunkered down, self-isolating, sheltering-in-place, or quarantining with a "Quarantini" perhaps. Now it's social distancing. Either way this is an interesting time. However, being in one place with limited supplies is nothing new for us Airstreamers. We know how to do this. We can be teaching others.

Now, granted, we usually have the ability to "move on down the road" wherever we like. And some of us might be. To this point, we would love to hear any stories you'd like to share. Did you decide to pack up and "head for the hills" for a while? Did you get exiled from a campground now that the parks' climate are changing? Did you have any interesting border crossings getting home? Have you just gone out to the trailer and sit in it, watch tv, have a cocktail, play a game..even if it is in your own driveway? Send a brief blurb about how these past weeks has impacted your personal camping or plans.

Best wishes to all and stay home...and stay healthy.

## **RALLY NEWS**

We understand that some of you who belong to other units have been receiving many rally cancellation emails. As we haven't had any planned in May, we didn't see the need to send any additional update emails. As noted above, Arivaca in Tubac was postponed TBD and Dolores Rally is still on the calendar for now. Any changes and we will let you know asap.
