

The Four Corners Connection

December 3, 2020

Snow and Great Camping

Well, you may not think these two go hand in hand but in our Four Corners, we can do both! Within two hours we can enjoy the seasonal beauty of winter snow then hop into our trailers and bathe in the sun drenched deserts! How lucky we have the flexibility of our Airstreams.

More challenging is that we need to find places to find and park our homes. We have all had the challenge of securing a site and planning our adventures almost a year out now. This has now become another "new normal" on our lists.

Please have patience with our state and federal representatives as well as those rv park owners who have been graciously adapting to their new normal as well. Last minute changes as directed by new standards and be made overnight. Although we hope our destinations will be welcoming us, they may need to close or restrict our access. All beyond the control of those on site.

SADLY, the annual highlight, "New Years at Picacho Peak" is cancelled. Our longest continually running rally will not be held this year. Arizona State Parks has decided to maintain closure on group sites throughout the remainder of the year and into 2021.

Sending you best wishes for continued health and happiness to all.

4CU Rally Reports

The 4CU board shares your wishes to gather "around the campfire" as quickly as possible at one of our wonderful rallies. Unfortunately, we are all at the mercy of the rv parks owners, the US Forest Service, state parks and county parks. Although there are rallies listed on our calendar, news and status changes every single day. These rally locations do not have answers for us either. They are on a day-to-day schedule as well.

Here in the Four Corners we are facing many unknowns during this pandemic and wish to make well thought out decisions regarding our members health and well being. As soon as any decisions are made we will let you know.

In these odd times, our travels have been taking us new places and our Airstreams allow us to physically distance while still enjoying the country. In the past months we have heard from a few of our members letting us know where they are "hiding out"!

Thank you for sending in brief overviews of your journeys!
We look forward to reading more!
