

# The Four Corners Connection

February 16, 2021

## Hearts to Everyone!!

The beginning of 2021 will certainly bring new ideas and a new outlook...even in our Airstream communities. Have you seen the new design incorporating an office space for WFH (work from home) employees and campers? A true sign of the "new" times.

As we all begin adapting to our new normal, we also need to remember the old normal -especially within the Four Corners Unit. Our Patagonia AZ rally coming up in April will be our first of the year and the first official rally in many, many months. We look forward to rekindling old and building new relationships.

To date, hosts of previous rallies have been unable to secure some of our old favorite rally sites. State parks have not released their group areas for reservations, even into 2022 until COVID is "over" . So we need to get creative! If you have any "out of the box" ideas, go for it! This is a great opportunity to turn "lemons into lemonade" and get into some interesting places that have been overlooked!

Until then, enjoy gathering in small groups while traveling to new locations! When going to those new places, look up some 4CU members for some first hand, local's suggestions! You should have received your updated FOUR CORNERS digital directory last week! Keep it handy! WBCCI also sent out the master directory as well.

Safe travels!!! Be well!!!!

## 4CU Rally Reports

The 4CU board shares your wishes to gather "around the campfire" as quickly as possible at one of our wonderful rallies. Unfortunately, we are all at the mercy of the rv parks owners, the US Forest Service, state parks and county parks. Although there are rallies listed on our calendar, news and status changes every single day. These rally locations do not have answers for us either. They are on a day-to-day schedule as well.

Here in the Four Corners we are facing many unknowns during this pandemic and wish to make well thought out decisions regarding our members health and well being. As soon as any decisions are made we will let you know.

## Where are you???

In these odd times, our travels have been taking us new places and our Airstreams allow us to physically distance while still enjoying the country. In the past months we have heard from a few of our members letting us know where they are "hiding out"!

Thank you for sending in brief overviews of your journeys!

We look forward to reading more!
