**The cost per person for this Breakfast Buffet is \$20.10. (Non-Refundable)**

---

**SO..YOU NEED TO CANCEL????**

Should you need to **cancel** your reservation for a rally, please **first** get in touch with your hosts! There is always a long waiting list for 4CU rallies!

A new member might be hoping to attend their first rally!

## HAVE YOU BEEN A NO SHOW???

We know plans can change last minute **BUT PLEASE call/text** your host **ASAP!!!** (Emails may not reach them in time). With 329 member trailers in every state, there is always someone close by to pop on over and fill your spot!

We all know how difficult it is to secure camping sites - it's no different for rally spots.

Please be respectful of your hosts and your fellow Airstreamers!

## TRAVEL ALERTS

### Weeknight closures on I-17 north of Phoenix will impede traffic for months

PHOENIX – Interstate 17 north of Phoenix will be closed several nights a week well into next year so crews can blast rocks to make space for new lanes.

Segments of I-17 between Anthem Way and Sunset Point will be closed in both directions two to three nights a week, Mondays-Thursdays, **for the next eight months**, the Arizona Department of Transportation said Monday.

**More info, follow the link:**

# **Just around the corner!** Pillowcases at Picacho!!!!

-----

## **Four Corners Unit Annual Service Project Sew-a-Thon**

-----

After 7 years of making quilt tops during our monumental New Year's Rally at Picacho Peak in Arizona, we will be changing things up a bit!

This year, we will be making pillowcases for the wonderful organization Ryan's CASE FOR SMILES! This established and well-respected organization focuses on children with childhood cancer "feel better to heal better" during their tremendous fight. Please visit their website to learn more. [Ryan's Case for Smiles](#)

Once again we ask those that want to sew up cases, to bring their machines and basic sewing kit (listed below). You don't sew? Do you iron? Can you cut with scissors or rotary cutter? Everyone is invited to participate.

Let's not forget good conversation and hanging out under the ramada!

For those of you wanting to donate fabric, we can always use good quality, cotton quilting fabric! We will have kits prepared for sewing but feel free to make a few yourself! One yard cuts of 42" wide fabric, please.

\*7. Fold the pillowcase in half lengthwise WRONG sides together. Stitch down the side and along the bottom using a scant (smaller than) 1/4" seam.

8. Turn the pillowcase Wrong side out. Press seam allowance flat. Sew a 1/4" seam down the long side and across the bottom to enclose the seam previously sewn.

9. Turn RIGHT side out and the pillowcase is complete.

\*NOTE: If not using French seams, simply complete the pillowcase by folding the pillowcase RIGHT sides together and seam with a serger or a finishing stitch such as a straight stitch followed by a zigzag stitch to seal the raw edges.

*There are many videos online showing this "burrito method". Take a look!*
