To Register:

- 1) **Complete the Rally Sign-Up Form (attached) and submit** it with your rally fee payment, made payable to the Four Corners Unit, to:
Dan and Vera Rossbach
9416 San Rafael Ave N.E.
Albuquerque, New Mexico 87109

- 2) **Do NOT make your site reservations until you receive confirmation from the Rossbachs.**

- 3) **Then, beginning February 15, you can contact **Little Creel** directly at **(575) 756-2382** to make your **RV Park** reservations. Be sure to mention **you are part of the Airstream Rally**. **The cut-off date for RV Park reservations is March 15, 2019.****

Little Creel RV Park camping fee: \$37.50 per night (Normal cost is \$42.50.) We have reserved 25 spaces adjacent to the Chama River and the social pavillion.

The Little Creel is a lovely full service RV Park located on the Chama River. They offer a large covered Pavilion with picnic tables and power at no extra charge. There is also a large enclosed Recreation Hall with full kitchen which we will use for our evening potluck and social hour.

Twenty of our spaces circle the pavilion. Five additional sites are adjacent to the circle with some on the Chama River. There are public restrooms and showers nearby. Due to the size of the pavilion and the logistics of breakfasts for everyone we will cap the attendance at 25 trailers.

The park has full hookups including 30 amp, water and sewer. The use of the Pavilion will be available to us for meals, happy hour, and other activities. Fire rings are available for evening fires. The evenings will be “chilly” in Chama in mid to late September. Hosts will provide all firewood due to restrictions on out of area firewood.

Friday would be a great day for an optional Cumbres & Toltec train ride (either half day or full day rides are available - both ending between 3:30-4:30 PM). Full day rides start at \$105.00 for adults and \$49.75 for children. Group rates are available and interested parties will be contacted. Please indicate on the registration form if you are interested. Fall colors will not peak until early October but the higher elevations will still be very colorful. A turkey dinner style lunch or meatloaf lunch will be served in a dining hall midway to all train passengers - it's all you can eat! Vegan and gluten free options are available.

We are planning a traditional New Mexico "Welcome to Chama" Dinner (frijoles, green chile stew and flour tortillas) Thursday night. We assume Friday will be the best day for a train ride so breakfast burritos and coffee will be provided early morning. We are planning a pancake breakfast Saturday morning. All other meals will be in the form of a potluck/heavy appetizers. A complete rally schedule will follow.

This is a WBCCI Rally. If you own an Airstream but are not a member of WBCCI ... and would like to attend this rally, please contact the rally hosts about attending as a guest on a space-available basis.

All Aboard!! CU in Chama!!
